Call for proposals No 05/2014

Subject: Call for proposals No 05/2014

The Research Committee of University of Western Macedonia in Greece in the framework of the Action entitled "Excellence II" and specifically the project titled "SCIENCE TEACHER EDUCATION" implemented under the Operational Programme "Education and Lifelong Learning" funded by the European Union (European Social Fund) and national Resources, calls for proposals of

1. a postdoc researcher with a contract titled "Data collection and statistics analyses for the papers submission and updating the website of the project. - Development and modelling of training courses for teachers of non formal education".

Qualifications:

- PhD in science education with an emphasis on informal education
- Master in Science Education

The total budget of the above contract is 2.705,00€ for two (2) months.

2. a postdoc researcher with a contract titled "Data collection and statistics analyses for the papers submission and updating the website of the project. - Development and modelling of training courses for teachers of formal education".

Qualifications:

- PhD in Science Education
- Master in Language and Technologies

The total budget of the above contract is 2.705,00€ for two (2) months.

During the period of the two (2) months, the postdoc researchers should be employed under full and exclusive employment.

The research will be carried out in Florina Greece for two (2) months.

The most appropriate of the candidates will be selected after a procedure of an interview and the estimation of the qualifications.

The submission of applications will be made not later than 16/04/2014 (receiving date). The candidates shall enclose to an envelope a detailed cv with all the necessary documents (copies of diplomas, certifications etc) and send to the above address

Contact details: Secretariat of the Research Committee in Kozani Greece (information: Mrs Chrisa Iakovidou, tel: 0030 24610-56440).
